

How to Obtain WIDA Score Information

Who are your English Learners?

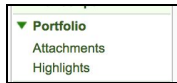

To identify which of your students are English learners, look in the upper right-hand corner of the student profiles in Skyward. If a student is an English learner, they will have a purple-ish "L."

Four Ways to Obtain WIDA English Proficiency Levels

1 - Skyward - Portfolio

The WIDA ACCESS Score Report can be downloaded from the Student Portfolio (left column in Skyward). Click on "Attachments" and a list will open to the right. Find the most recent WIDA Score Report and click "View." You can then print the score report.

Report Card 2017-18 Quarter 1	Report Card	11/03/2017	4:54 PM	View

2 - Student's Permanent File

If the student is new this year, or you are unable to locate information through any other method, you will need to look in the student's permanent file for a hard copy of the screener (WAP-T) to obtain the information.

3 - USBE Data Gateway

- USBE has a report that can be download through the Data Gateway.
- In addition to the information found on the WIDA Score Report this report includes history, projected trajectory, yearly goals for progress, etc.
- Go to <https://datagateway.schools.utah.gov/> and login OR register and then login.
- Once logged in, click the triangle next to "My Tools" and then "WIDA ACCESS Reports Downloads."

4 - Skyward - Test Scores

- Click on "Test Scores" in the left menu.
- Look for the most current WIDA test.
- Click on all triangles (blue arrows) to see all the scores (pink highlighting) associated with this test for each language domain and each composite score.
